

### Authors' Declaration

**Manuscript Title:** .....

**Submission Date:** .....

**Manuscript number:** .....

I, as corresponding author, on behalf of all authors certify that I/we have participated sufficiently to be the author, in the following areas: (i) Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND (ii) Drafting the work or revising it critically for important intellectual content; AND (iii) Final approval of the version to be published; AND (iv) Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

Contributors who meet fewer than all 4 of the above criteria for authorship have not been listed as authors, but they have been acknowledged. They have given written permission to me/us for their name to be acknowledged. No contributors have been excluded.

We have declared all conflicting interest related to the article.

Sources of outside support of the project are named in the cover letter.

I/we believe the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere, except as described in the covering letter. I/we certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees.

I/we also certify that we have taken all necessary permissions from our institution and/or department for conducting and publishing the present work.

I/We have obtained written permission of all the copyrighted material used in the article. I/We will be responsible for any copyright violations or ethical issues related to the publication. I indemnify and keep GeriCaRe and The JGCR indemnified against any loss, injury or damage (including any legal costs and disbursements to compromise or settle any claim) in consequence of publication of this article.

I/We grant GeriCaRe a license to publish the article and identify itself as the original publisher. I/We also grant any third party the right to use the article freely as long as its integrity is maintained and its original authors, citation details and publisher are identified.

As corresponding author, I will keep all the authors informed about the progress of the article in all aspects.
